Opportunity Drawing

We are very excited for this year's opportunity ticket drawing! Remember, we need everyone's help to make it a success. Get together as a family and discuss different ways you can sell tickets. Families are encouraged to sell a minimum of 20 sheets of tickets. Each sheet has 6 tickets for \$5.00.

The Top three selling families will pick from the following prizes

Top 3 Family Prizes:

- * Pass of All Passes (4), parking pass (1), Tube Rental (4) misc. items
- * Amazon Echo
- * \$100.00 Visa gift card

The first class to have 100% participation (every student sells at least 1 sheet of tickets) will receive a pizza party.

The goal for this year's event is \$20,000.00 in opportunity sales. There are school wide goals that have been set. Every time we reach a goal the students will receive a reward. We ask all students to participate to receive the incentive. For those families who find it difficult to sell sheets of tickets we will have in-school opportunities available.
