Auction News

February 28, 2018 – Issue #4

Thank you

Thank you to all, who helped to make the evening a tremendous success. We are excited to share our numbers! With the generosity of our patrons, benefactors, parents, family members, and friends it was possible for us to net over \$130,000.00 for St. Francis Xavier Catholic School. Whether you participated as a donor, sponsor, patron, greeter, server, cashier, solicitor, or helped with set-up or clean-up we could not have done this without your participation. Thank you to the many donors who contributed to help complete many silent auction baskets and class baskets for the live auction. Please check out the list of donors on the school website at <http://www.stfrancisxaverschool.org/auction> and support those who have donated. Thank you to the amazing Auction Committee who donated countless hours to make this night a success.

As you know the “From the Heart” Auction Dinner is the only major fundraiser we hold at St. Francis Xavier School. The monies raised from this event support the tuition assistance program, assist in the purchase of classroom needs such as textbooks, aid in technology resources and building maintenance all of which affect the families of St. Francis Xavier. We appreciate the support of our families who participated in the opportunity drawing, gave to their class basket funds, donated to the silent auction, assisted with set-up or clean up, volunteered as a server, greeter, silent auction runner, or cashier, worked on the solicitation team as a caller or picked up items, or attended the auction and gave “from the heart.”
