

P.I.P. CORNER

Every Family is required to complete 20 hours as part of the Parent Involvement Program (P.I.P.) during the school year. For every hour not complete you will be billed \$10.00. Many parents wonder how they can fulfill their 20 hour requirement. Well P.I.P. Corner is here to help you answer that simple question. The best way is to volunteer to help within the school. We realize that is not always possible. Once you see how much it means to your child to see you at school helping you may be able to find the time to help where needed. Another way to earn your P.I.P. hours is to purchase items needed within the school. You will receive 1 hour for every \$10.00 spent. A receipt is required to be given credit for your hours.
