Family Math Night

We will hold our 6th Annual Family Math Night on Wednesday, Sept. 18th at 7:00 pm in the library. Discover ways and available resources that you can use to best help your child be successful in mathematics.

SAT Testing

SAT testing is September 23th – September 27th for grades 2 – 8. It is important that your students are in school on these days. Testing generally is completed in the morning. We ask that you schedule doctor or dentist appointments for your children with the testing in mind. **Please have your child get plenty of sleep, eat a good breakfast and arrive on time.** Thank you.

Early Dismissal from School

A student should never be released early from school without the written permission of the parent/guardian. You must send a note to your child's teacher if your child is leaving early. These written requests are kept on file.

Find out more and vote on Facebook.com/Target.**

Our Lady of Lourdes Parish

Many of you are aware that Our Lady of Lourdes Church in Magna was recently broken into and vandalized twice in one week. Thousands of dollars of damage was done. Some of our Saint Francis families are members of that parish. We would like to offer our support to the parish in the form of a monetary donation. On September 20, every student who brings in \$1.00 may wear a red shirt. If they bring in an additional \$2.00 they may also wear jeans. Money should be brought in by the 19th so teachers know which students will be participating. Of course, additional donations are welcome.
